

Sandra Pabon

Vice President, Itasca Construction Associates, Inc.

Sandra Pabon is a Vice President of Itasca Construction Associates. She has a degree in Construction Management from Everglades University. She joined Itasca in 2000 as an office assistant and during her 23 years there, she has held almost every position from Accounts Payable, Assistant Project Manager, Project Manager and in 2020, she became a Vice President and Owner of Itasca Construction.

Her new position serves a strategic role within the organization as she is now responsible for maintaining and establishing new client relationships. Sandra is also responsible for overseeing the construction of their current projects to ensure successful completion and delivery.
