

**TAMMY O'ROURKE, ASID, IIDA, LEED AP**

Principal - Director of Interior Design

Tammy joined SpinaOrouрке + Partners as an Interior Designer in 1991. Since then, she has cultivated over 30 years of Design experience and has excelled in serving clients with a design mission that blends the client's vision with her experience and talent. Her collaborative approach and client-centric mindset translates into incredible creations that not only exceed the client's expectations but also embody the design intent of her philosophy - creating spaces that inspire!

She has been the recipient of numerous awards from the International Interior Design Association (IDA) and American Institute of Architects (AIA), most recently winning the American Society of Interior Designers (ASID) Design Excellence Award for Commercial Renovation.

Tammy is involved in the professional and local community where she is a LEED Accredited Professional; a member of IIDA, ASID; serves on the Quantum House Board of Directors / The Executive Committee.
